

Dr. John J. Prevost, Ph.D.

Associate Professor of Research
Electrical and Computer Engineering
College of Engineering
UTSA

Funding from the Air Force Research Laboratory and the
80/20 Foundation

Co-Founder and Assistant Director of the Open Cloud Institute
Director of the CLEAR lab

Jeff.prevost@utsa.edu

Research Focus:

Cloud optimization techniques, containerized processing, quantum information theory
and domain-specific compute in cloud.

16 publications, 1 book (editor), and 1 book chapter.
